

REPORT CARDS/PROGRESS REPORTS

The School Committee authorizes the Superintendent to develop a system for communicating information regarding student achievement and academic progress to students and parents. Within this system, grades, proficiency levels, performance notations, narratives, and other forms of reporting should be understandable to parents and should indicate how the student is progressing relative to achievement of the content standards of the Learning Results as well as performance in specific courses or content areas.

As a component of the system, a report card will be issued for each student at regular intervals to be reviewed and signed by the student's parent/guardian.

Interim progress reports indicating deficiency, need for remedial intervention, or improvement in performance may be issued at any time.

The principal/designee will provide written notification to students and parents by the end of March, except in very unusual circumstances, if the student may not advance to the next grade or if the student may not qualify for a high school diploma because he/she has not met the required standards.
