

ATHLETIC DEPARTMENT JACKETS

A. Funding

1. When any Lisbon High School co-curricular team wins a conference, Western Maine or State Championship, the co-curricular department may purchase jackets for team members through the co-curricular department budget. Individuals who win a Western Maine or State Championship may have jackets purchased through the co-curricular department budget.
2. However, should those funds not be available through the budget, teams may participate with their coaches in fund raising activities to cover such costs. Individuals who do not receive funds through the budget, may request approval of fund raising activities to cover such costs.
3. It may also be possible to cover such costs through a combination of co-curricular department funds and fund raising activities. Individuals may also combine co-curricular department funds and fund raising activities.

B. Style of jacket when purchased by the co-curricular department and/or teams

1. For teams winning a conference or Western Maine Championship and individuals winning a Western Maine Championship a nylon, hooded pullover jacket with emblem will be purchased, color may vary.
2. For teams/individuals winning a State Championship, black wool melton jacket with naugahyde sleeves and embroidered emblem will be purchased.

C. Style of jacket when purchased through teams fund-raising activity

Each team/individual may provide input into the selection of a jacket that they would like to purchase with the approval of the coach and final approval by the Co-curricular Director.

D. Eligibility when purchased by co-curricular department and/or teams

1. For teams winning a conference or Western Maine Championship and individuals winning a Western Maine Championship, members will receive their letters based upon their coaches' criteria.

2. Scorers and managers will be eligible on their second year of service.
3. For teams/individuals winning a State Championship, all members will be eligible.

E. Eligibility when purchased through teams fund-raising activity

Each team member/individual may be eligible to receive a jacket.

F. Number of jackets an athlete may receive

1. A student may receive only (1) conference or Western Maine jacket, when purchased through the co-curricular department in a four-year period.
2. A student may receive only one State Championship jacket when purchased through the co-curricular department in a four-year period.
3. A student may update his/her jacket at his/her own expense.

G. Fundraising Approval

The Superintendent will have the final approval of all fund-raising activities that teams propose.
