

USE OF SCHOOL FACILITIES BY PARKS AND RECREATION COMMISSION

The formal use of all school department playground facilities during the summer is to be scheduled through the Parks and Recreation Commission.

The Parks and Recreation Commission is hereby authorized, subject to final approval of the School Committee, to schedule the use of playground facilities during the summer months.

The Parks and Recreation Commission is hereby given priority in the use of school facilities after all regular school department activities have been scheduled.

The Parks and Recreation Commission is to be responsible for the care and supervision of school department property when used by the Commission.
