

## What will I see when I get a Sara Alert notice?

If you agree to using the Sara Alert reporting tool, you'll receive daily text messages asking for symptom reports.

- Each day you'll get a text from (844) 957-2721, which is the only number for Sara Alert.
- The text includes a weblink to the secure Sara Alert website where you can report your symptoms

Please complete  
the Sara Alert Daily  
Report for PP-45:  
<https://demo.saraalert.org/r/feJCLdvhtk/Z2tPR1o1a1/en/PP45>

- You could receive multiple links if multiple family members are close contacts
- The weblink will bring you to a list of COVID-19 symptoms:

**Daily Self-Report**

Please select all symptoms which you are experiencing.

- Chills
- Congestion or Runny Nose
- Cough
- Diarrhea
- Difficulty Breathing
- Fatigue
- Fever: Feeling feverish or have a measured temperature at or above 100.4°F (38°C)
- Headache
- Muscle Pain
- Nausea Or Vomiting
- New Loss of Smell
- New Loss of Taste
- Repeated Shaking with Chills
- Shortness of Breath
- Sore Throat
- Used A Fever Reducer: In the past 24 hours, have you used any medicine that reduces fevers?
- I am not experiencing any symptoms

**Submit**

- Please complete the symptom report. You will receive a link from Sara Alert daily during your quarantine period.

# Tips to Protect Yourself from Scams

## When Using Sara Alert™

We want to make sure that your personal information is safe while you are enrolled in Sara Alert™. When your public health department enrolled you in Sara Alert™, they asked you how you would like to receive the daily message to report your symptoms. Depending on which method you chose, you should receive the automated daily self-report message from the Sara Alert™ number or email described below.

### PHONE

Caller ID may display calls from Sara Alert™ as:

- (844) 957-2721
- TOLL FREE NUMBER

An automated voice call will ask you if you (and any household members) are experiencing any symptoms.

#### Safety Tip:

If the Caller ID shows a different number, then it is not from Sara Alert™

Sara Alert™ is an automated call. You will never receive a call from a person from the Sara Alert™ number. If you do, it's a scam. **Hang up!**

### TEXT

Text messages from Sara Alert™ will appear from

**(844) 957-2721**

The text message will ask you if you (and any household members) are experiencing any symptoms.

#### Safety Tip:

If the Caller ID shows a different number, then it is not from Sara Alert™

### EMAIL WITH WEB LINK

Email with Web-link: An email message from **notifications@saraalert.org**

The email will included a web link will take you to a website that begins with:

**https://sara.public.saraalert.org/**

You will see a unique set of letters and numbers after **https://sara.public.saraalert.org/**

#### Safety Tip:

Check the email address to make sure it is from **notifications@saraalert.org** before opening the email. Delete the message if it doesn't have the correct Sara Alert™ email address.

### TEXT WITH WEB LINK

Text messages from Sara Alert™ will appear from

**(844) 957-2721**

A text message will include a web link to the daily self-report.

#### Safety Tip:

If the Caller ID shows a different number, then it is not from Sara Alert™

### Other Tips to Avoid Scams:

- Sara Alert™ messages will never ask for personal information such as:
  - social security number
  - bank account numbers
  - passwords
  - security question responses

Hover over the report link to make sure that it directs you to the Sara Alert™ website. If it is not the Sara Alert™ website, **DO NOT CLICK on it!**

Sara Alert™ messages will never threaten you with arrest or ask for immediate payment. Hang up the phone or do not respond to emails or texts if this happens.
